

Board Member Recruitment

The Chatham-Kent Health Alliance (CKHA) is a two site 200-bed community hospital system with state-of-the art facilities and technologies that delivers quality of care to the communities across Chatham-Kent and surrounding areas. At CKHA, Caring People, Caring for People is not just a slogan. It is an ongoing commitment.

CKHA is seeking strategic, experienced, engaged and talented members of our community who understand the role of a board governor to join us in the pursuit of this vision by participating as a voluntary member on our Board of Directors.

Board recruitment is based on vacancies and the requirements identified by the Board Skills Matrix; specific information regarding our board responsibilities, policies and required skills, can be viewed at <http://www.askckha.com/governance>.
